Who is eligible

Only an employee who is enrolled in the Plan can submit expenses for reimbursement. However, you, your spouse and any dependents - as defined in Internal Revenue Code Section 105(b) - may incur the expenses.

If there is a question as to the eligibility of a particular expense or the dependency status of a particular individual, you will be contacted for more information.

What expenses qualify

1. You can submit copies of receipts for health, dental, vision or hearing expenses, over-the-counter items (e.g. aspirin, ear drops, etc.) or prescriptions which are allowed by the Internal Revenue Service (IRS).
2. Expenses must be incurred on or after your effective date for the plan year and before the end of the plan year (or grace period, if adopted by your employer). In accordance with IRS rules, reimbursements will not be made until the services have been provided.

Important note: *The above eligibility and expense guidelines are intended for informational purposes only. For a description of how your plan works, please refer to the Summary Plan Description (SPD). The information contained in the SPD takes precedent over the guidelines in this form.*
